OLIVER

LILLY

We're standing on the first stage of the first night of Hannah Montana's first-

JACKSON walks in eating a sandwich and the meat falls out, hitting the floor.

MILEY

Jackson! You're making a mess of the stage before I've even used it!

JACKSON

Never used it?

He bends down, picks up the meat, puts it back in his sandwich, and takes a bite. Miley and Lilly shake their heads.

MILEY

Disgusting.

JACKSON

I'm a guy. We eat; sometimes off
the floor if we have to...
Survival of the fittest!

MILEY

Riiiiight. Well guys, I guess it's
time for Hannah to get ready!

Miley and Lilly run offstage, excitedly. Jackson offers Oliver the sandwich and he takes a bite.

OLIVER

Wh-where can I chill out?

ROBBIE

Right next to Jackson.

JACKSON

Where's that?

ROBBIE

Somewhere about...

He takes Jackson by the shoulders and moves him a few steps to the right, planting him in place.

ROBBIE

Here.

JACKSON

This - is the hall.

ROBBIE

Can't put one past you, can I?

(to Miley)

Now if you want to go shopping,
this is the way to the taxis
and limos.

LILLY

Shopping?

MILEY

Oh yeah. We're hitting every
city of this here tour!

LILLY

I love my life. I love your
life. I love when my life hangs
out with your life.

ROBBIE

Come to me before every
performance so we can go over
your song list and wardrobe.

Jackson starts pushing his dad away.

JACKSON

Okay, everyone out, you're
cramping our space. It's nap
time.

HANNAH/MILEY

Li-li-li-lili-lililaadidaaallii
POW POW! Okay.

She stretches and runs onstage.

ROBBIE

Break a leg!

LOLA/LILY

But don't twist an ankle. Be
careful but have fun. Don't
forget the words!

ROBBIE

Lola, she's been doing this a
long time. She's going to be fi-

LOLA/LILY

Shhh! She's starting!

DRESSING ROOM

INT. HANNAH'S DRESSING ROOM.

Oliver is sitting, pointing to himself in the mirror. Miley and Lilly
walk in.

MILEY

Oliver, what are you doing?

OLIVER

Oh, just looking at the face of
an international man with global
appeal. Seriously, what more
could the ladies want?

MILEY

Um. A man with a car.

LILLY

Who has a job-

MILEY

That has benefits-

LILLY

And has charisma-

MILEY

And low cholesterol-

LILLY

And good breath...

Oliver stands up, dejected.

OLIVER

Okay, I get it!

He starts to leave.

MILEY

But you still have great hair!

LILLY

And you can juggle!

Oliver turns around, encouraged.

OLIVER

That's right, I can! Ladies,
Smokin' Oakin has left the
building!

He poses and walks backwards out of the room.

MILEY

Aw, they're so cute when they're
vulnerable.

SHOPPING IN NEW YORK

INT. FANCY STORE IN NYC.

HANNAH and LOLA enter.

LOLA/LILY

Shopping in New York City?

HANNAH/MILEY

Yeah, these clothes are a huge step up from that dress my grandmother made for me out of that Thanksgiving tablecloth. Never could get the smell of turkey out of that thing... C'mon, I need shirts, jeans, jewelry, shoes-

LOLA/LILY

Lots of shoes!

HANNAH/MILEY

You know it!

Hannah takes Lola's hands and pulls her away.

PARIS INTRO

INT. BACKSTAGE.

Robbie and Miley are looking over his notes. A door slams and Jackson is breathing heavy, leaning against the door to the alley.

JACKSON

If the Paris police comes looking for me, I'm not here. You don't know me!

ROBBIE

What'd you do?

JACKSON

I had nothing to do with- with that
amazing water balloon toss from the
top of the Eiffel Tower... LIES!
Lies I tell you!

Jackson runs off.

ROBBIE

That boy is crazier than an outhouse
rat!

LONDON SHOPPING

EXT. LONDON STREETS

Lola, Hannah, and Oliver are walking, passing strangers.

LOLA/LILY

What's a "cheeky monkey" and what
does "Bob's your uncle" mean?

OLIVER

(IN A TERRIBLE BRITISH ACCENT)

'Allo govnah! Would you like a
spot o' tea?

HANNAH/MILEY

Let's ask Oliver. He seems to be
"British" right now.

LOLA/LILY

Oliver, what are you doing?

OLIVER

(STILL IN THE ACCENT)

Ladies like gents with an accent.

LOLA/LILY

Not when it's their own.

HANNAH/MILEY

Oliver, you are the foreigner.
Just talk like you always do.

Oliver considers this.

OLIVER

Oh right!

(in a bad French accent)

Oliver Oaken - Ze man of mystery!

Hannah and Lola hit his arms and walk away.

OLIVER

Ow...

ROME INTRO

EXT. THE COLOSSEUM.

Robbie, Miley, and Jackson walk in, looking around at the venue of Hannah's next concert.

JACKSON

This place oozes coolness!
Gladiators used to fight lions
here and there were chariot
races! Hiyeah!

He snaps an imaginary whip.

MILEY

Jackson, how is it you know the
history of the Colosseum but
you can't remember to wash your
socks?

JACKSON

Miley, Miley... In the grand scheme
of the world, some things are just
more important than laundry.

ROBBIE

Alright, guys. C'mon. We've got
stuff to do. (to Miley) Remind me
not to borrow your brother's socks.

They walk off.

EGYPT INTRO

INT. BACKSTAGE.

Hannah and Robbie go over his notes before she goes onstage.

ROBBIE

Looks like you're good to go!

LOLA/LILY

5, 6, 7, 8...

Lola, Oliver, and Jackson start dancing erratically.

ROBBIE

Looks like a pack of caffeinated
monkeys.

HANNAH/MILEY

Forget it guys, you're not gonna
be my backup dancers.

LOLA/LILY

C'mon! We've been practicing all
day!

HANNAH/MILEY

I want people to come to my show,
not run away screaming.

JACKSON

We could power a small continent
with our energy but if you don't
want to take it to the next level
...then that's your decision.

OLIVER

You'll deprive your entire fan
base of this!

Oliver points to himself.

ROBBIE
(to Hannah)
That's a bad thing?

HANNAH/MILEY
Okay, I'll make you a deal. You
keep practicing, and I'll let you
star in my very next breakout
world tour.

LOLA/LILY
Sweet!

JACKSON
Yes!

They pause, then realize what she just said. Lola and Jackson sink a
bit.

OLIVER
Hey...!

SYDNEY INTRO

INT. BACKSTAGE.

Two hands reach for a piece of cake. Cut to: Jackson and robbie facing
each other.

JACKSON
Race you for it.

ROBBIE
Robbie. Alright, here's what you do.
You run to the rehearsal stage then
you do eight laps around the parking
lot, and whoever gets to the cake
first gets to eat it. Ready! Set! Go!

Jackson takes off running and Robbie takes the cake. Miley walks up to
him as he takes a bite.

MILEY
Dad, you're cheating.

ROBBIE

No, I said "YOU run to the rehearsal stage", and "YOU do laps around the parking lot" and I got to the cake first.

MILEY

You think he's figured it out, yet?

Jackson runs by, panting.

JACKSON

You're going down, old man!

CAIRO INTRO

INT. BACKSTAGE

Robbie and Miley are going over his notes.

ROBBIE

Well bud, it looks like another sold out show-

A loud crash is heard o.s.

ROBBIE

What was that?

JACKSON (O.S.)

Miley broke something!

ROBBIE

Miley's standing next to me!

JACKSON (O.S.)

Uh.. Lilly broke something!

Lilly walks in.

LILLY

Broke what?

JACKSON (O.S.)
Is.. Oliver with you?

ROBBIE
No.

JACKSON (O.S.)
Oliver! Look what you've done!

TOKYO INTRO

INT. STORE. - LATER
Hannah and Lola are shopping. Lola points out a dress.

LOLA/LILY
This dress is so cute. And it's just
your size, and it's on sale. And it'd
look so cute on me too.

HANNAH/MILEY
Ugh. That looks like the one Jackson
wore to my birthday party.

LOLA/LILY
The one where he sang "I Got Nerve"
in front of everyone?

HANNAH/MILEY
No, but I don't like that dress
either.

Cut to: Jackson lying in a chair, waiting.

JACKSON
The sequins brought out my eyes!

LOLA/LILY
Wow.

HANNAH/MILEY
Ew!

FINALE

INT. BACKSTAGE

Robbie, Hannah, Lola, Oliver, and Jackson are all backstage. Hannah is pumping herself up.

HANNAH/MILEY

I am ready!

LOLA/LILY

Wait! Clothes check!

Hannah raises her arms and turns around.

LOLA/LILY

Looks great!

OLIVER

Teeth check!

Hannah bares her teeth

OLIVER

Okay, we're good!

JACKSON

Nostril check!

HANNAH/MILEY

Ew, no!

JACKSON

No one in the front row wants to see any danglin' Hannah Montana nose nuggets.

ROBBIE

That's disgusting, boy!

JACKSON

Exactly! And that's why we check.

HANNAH/MILEY

You guys, this has been the best trip ever! I'm so glad we were all together.

LOLA/LILY

Aw, group hug!

Everyone but Jackson walk in for a hug. He backs up.

JACKSON

Ew! No!

He starts to walk away and Robbie grabs his arm to pull him in. Jackson smacks his father's hand.

JACKSON

No! No! No! No!

HANNAH/MILEY

C'mon Malibu!
