

TAK, LOC, AND THE RHINO

EXT: A MEADOW FILLED WITH GIANT THORNS.

TAK and LOC walk up to the briars and look around.

TAK

I can't see any way around them.

Lok turns and notices a SLEEPING RHINO

LOK

Look at that. They can sleep  
anywhere at anytime too.

TAK

Hey, I betcha she can get us  
through these thorns! Rhinos  
will run through anything.

Tak pushes the Rhino, trying to wake it, but it doesn't budge. Lok  
walks over.

LOK

Once I fell asleep while milking  
a goat, filled up three buckets.  
And this one time, I fell asleep  
while I was supposed to be  
watching the village and Tlalock  
turned everyone into sheep.  
Remember that? Ha ha! That was a  
classic.

TAK

C'mon!

LOK

Alright, wake up you lazy loaf.  
C'mon, get up and work!

Lok climbs the rhino, trying to wake it. Tak jumps in front and begins  
to yell.

TAK

Hey! You smell like an armpit!

LOK

Get up!

TAK

Blah Blah Blah! Blublulbluu!  
You have more wrinkles than  
Jibolba!

Lok grabs the rhino's ear and yells into it.

LOK

Hey! Hey! Heeeeeeeeeey!Hey!....  
No go.

TAK

(sighs) There's got to be some  
way to wake her up. Look around.
